

**AGENDA**

**Modeling Meeting**

**Ozone Stakeholder Involvement Process**

**Wednesday, June 4, 2008 | 1:00 p.m. to 4:30 p.m.**

**Regional Air Quality Council | JA Board Room, 2<sup>nd</sup> Floor  
1445 Market Street | Denver, CO 80202**

- 1:00 p.m. Revised 2006 Base Case Modeling**
- > Environ-Alpine team will present Emission Updates and Revised Model Performance Evaluation for the complete 2006 Base Case Modeling
- 1:45 p.m. 2010 Base Case Modeling & 8-hour Design Value Projections**
- > Environ-Alpine team will present:
    - Emission Assumptions for 2010; Summary of Emissions (2006 vs. 2010); and the results of the 2010 base case modeling.
    - Ozone design value projection procedures, development of the relative reduction factor (RRF) from 2006 and 2010 modeling and project the 2010 base case design.
- 2:45 p.m. BREAK**
- 3:00 p.m. Next Steps in Modeling Protocol**
- > Environ-Alpine team will discuss the proposed 2010 Sensitivity Runs under consideration and the 2010 Ozone Source Apportionment Modeling and schedule.
- 4:00 p.m. Next Steps**
