

## DRAFT AGENDA

### Stakeholder Meeting Rule Language Development for Oil & Gas and VOC Stationary Source Control Strategies in the SIP and State-only Regulations

Wednesday, October 8, 2008 | 8:00 a.m. to Noon

Regional Air Quality Council | Junior Achievement Board Room, 2nd Floor  
1445 Market Street | Denver, 80202

#### **8:00 Introduction**

APCD staff will provide an update on the SIP and State-only measures set for hearing by the AQCC in September. APCD staff will focus on specific regulations for oil & gas and stationary sources and summarize the next key milestones in the rulemaking process.

#### **8:30 Review of Regulation Changes**

APCD staff will explain the changes to Regulations 3 & 7 for SIP and State-only packages submitted to the Air Quality Control Commission on September 18, 2008.

#### **10:30 Break**

#### **10:45 Discussion of Comments**

APCD staff will provide an overview of outstanding issues from stakeholder comments. Also the timeline and edits for the Comments and Responses document will be outlined.

#### **11:00 Open Discussion of Regulatory Language**

**If a stakeholder would like to make a presentation at this meeting, please notify Theresa Amoroso with the Air Pollution Control Division (303.692.3111) a day in advance to ensure there is adequate time.**
